Vision

Birla School, Pilani aims to be a trailblazing institution that nurtures globally responsible citizens with roots in Indian values.

Mission

Birla School, Pilani, is dedicated to shaping students into impactful global citizens who embrace diversity, lead with empathy, and uphold strong ethical values, ensuring they thrive as both accomplished individuals and compassionate human beings.

## ABOUT US

Pilani, known as the 'City of Education,' is home to Birla School, Pilani (BIRLA HIGH SCHOOL), the oldest and premier educational institution in the area. Founded in 1901 by Seth Shiv Narayan Ji Birla as the 'Pathshala' for his grandsons, it has grown into a significant educational hub managed by the Birla Education Trust since 1929.

The school evolved from a primary school to a middle school in 1922, a high school in 1925, and an intermediate college in 1929. It became a Multipurpose Higher Secondary School in 1958 and adopted the 10+2 education pattern in 1975-76. The first batch under this system graduated in 1979, and the school has since produced excellent results.

Birla School has celebrated several milestones, including its Golden Jubilee in 1951, Diamond Jubilee in 1961, Platinum Jubilee in 1976, and Centenary in 2001. It has hosted many eminent personalities, such as Dr. Rajendra Prasad, Dr. Radhakrishnan, and Jawaharlal Nehru, who have participated in its functions or sent warm messages.

As Principal of Birla School, Pilani, I am honored to lead an institution with a rich heritage since 1901. Our experienced and dedicated staff provide strong roots and wings for our students to achieve high academic standards, leadership, and global citizenship in a safe and nurturing environment. We blend the latest teaching methodologies with traditional values for holistic development.

Teamwork is our hallmark, with committed management, dedicated teachers, and supportive parents creating a child-centric school. Our classrooms are vibrant with thinking activities, strategies, and group dynamics. Through collaborative efforts, we strive to achieve our mission.

I appreciate our parents' support and urge students to remain modest, humble, and disciplined while expanding their knowledge and skills. I look forward to working with you and your children, and our continued success depends on your feedback.

**Mr. Dharendra Singh, Principal**
